

## Learn How NMR Technologies from Vista Clara Play a Key Role in Environmental Remediation Applications

Vista Clara is proud to be a sponsor for the upcoming Northwest Remediation Conference to be held in Tacoma, WA on October 6, 2022. The NWRC brings together cleanup professionals, regulators, and property owners to share the latest knowledge and best practices, develop business, and foster partnerships.

Join us for this great in-person event and learn more about how advanced NMR tools and technologies can play a key role in achieving environmental remediation goals.
